During Detour City needs to put 3 ~~stop~~ way stops at intersection of SE 32nd St & 247 Ave. This is an arterial. Already difficult to pull out from 247 to do left turn on to SE 32nd St.

* Stop signs at street entrances along
Klahamie Blvd.

Close Klahamie Blvd. as a thru street at
the information center intersection -
Make cars go from BIC entrance &
exit only out the PCMS entrance.
Same for Iss. Pine Lake Rd entrance -
Must exit thru PCMS light/entrance.
Make it difficult to use Klahamie
Blvd as a cut through to discourage
traffie.

Any chance we can keep the traffic circle @
256th? The current situation isn't very efficient and
can be dangerous.

Thanks for your work!

Have you considered raising property taxes to pay for bridge bypass?
Do not close the bridge just to ~~save~~ save few mil, lots of residents will gladly pay for bypass.

Keep bridge and make traffic move one way in the morning and other way in the evening

VERY CONCERNED ABOUT HOW CARS
LEAVING HUNTERS RIDGE ON 247th
WILL BE ABLE TO GO WESTBOUND
SINCE THERE IS A CONTINUOUS FLOW
OF CARS COMING FROM THE EAST

The school @ Iss/Pine lake & Klahanie Blvd needs to be relocated as Iss/Pine lake Rd cannot take the traffic & Klahanie residents cannot get out of neighborhood - Also construction is planned @ same time as Iss/Fall City Rd construction

NO to the changes to Klahanie Park!!!
 Again Klahanie is penalized with planned traffic, lights, noise if this park plan is done!

Find additional letters - e.g. Trossachs residents take I-90 to Fall City & then to 202 & not clog up Iss/Pine lake Rd.

Please make the temp. roundabout @ 256/Beaver Lake permanent

Please open the Trossachs → Beaver Lake barricade.

Please look @ mitigations for speed on Kahanie drive.

Please add an overpass for pedestrians @ the school - PCMS + Endeavor.

Please put traffic data collection strips.

Please put a roundabout @ ^{Issa} Beaver Lk + 244th

Communicate w/ Fall City, Redmond, Issaquah. ^{canadian} to add signs, etc

- What is being done with traffic signals along Iss-Fine Lake Road to help improve traffic flow. (Signal Coordination needs to be considered & fine tuning the signal timings).
- How is traffic discouraged from using Klahanie Blvd. as a short cut/detour route.
- Why not open up SE Belvedere way to E. Beaver Lake Dr SE on a temporary basis to allow traffic to use E. Beaver Lake Dr. SE.
- Traffic counts should be taken after road closure on Klahanie Blvd. To determine the actual impacts.

I am concerned about detours.

1) Issaquah Pine Lake -
 Klahanie light works fine
 the Brookshire light and
 SE 48th lights really back things up.

2) Klahanie Blvd.
 Concerns about making left
 turns from 243rd Ave SE (West Klahanie)

① Add a left turn lane at Beaver Lk Middle School. This will improve traffic flow.

② Do not agree with installation of crosswalk in front of Pacific Cascade Middle. This will impede traffic flow if it will continue to back up to Endeavour Elem. Your goal is to eliminate lights now you are adding a light.

Solution: ~~have~~ Use bridge westside as underpass for pedestrians.

TRAFFIC ~~SO~~ SHOULD NOT
GO THRU LIVINGSTONE
AREA (247th PI)
DUE TO KIDS / SCHOOL BUSES
TRAFFIC NEEDS TO
GO THRU ISS. PINE LAKE
RD SE
SAFETY FIRST!

Two questions:

1. Is 242nd going to be opened up to 47th St in Brookshire development?

2. Will there be an increased police presence to slow traffic in the neighborhood?
