

**NOTICE OF REVISED APPLICATION AND 120 DAY CLOCK EXCEEDANCE
PRELIMINARY SUBDIVISION**

FILE #: PSUB2019-00561 – BROWNSTONE WEST

Date of Notice: October 21, 2021

Public Comment Period: Begins October 21, 2021 & ends November 11, 2021 at 5 PM

NOTICE IS HEREBY GIVEN that the City of Sammamish received a revised Preliminary Subdivision (PSUB) application on September 24, 2021 from STCA, LLC a private development company, proposing to subdivide 4.90 acres into 10 single-family residential lots and 28 multi-family (townhomes). The project site is zoned both TC-B and TC-C.

The revised application was submitted in response to the City’s third review of the original application submitted on November 4, 2019 and deemed complete on November 27, 2019.

In accordance with SMC 20.05.100(4) the City of Sammamish will not meet the target of 120 days from the original date the application was deemed complete on November 27, 2019 to the time a decision is made which will

be in the form of a Staff Recommendation to the Hearing Examiner.

In the event that City Staff is unable to meet this target time limit, SMC 20.05.100(4) dictates that the applicant shall be provided written notice that includes a statement as to why the target time limit has not been met and an estimated date for issuance of the Staff Recommendation. Reasons as to why staff is unable to meet the target 120-day time limit are as follows:

1. STCA, LLC submitted four land use applications that were being reviewed concurrently: Brownstone West (PSUB2019-00561) and Sammamish Town Center SW Quadrant (UZDP2019-00562, PSUB2019-00563, and BSP2019-00564). The Sammamish Town Center SW Quadrant (UZDP2019-00562) was denied by the City on November 13, 2020 and is currently under appeal.
2. The development of Brownstone West was dependent on shared infrastructure improvements with the Sammamish Town Center SW Quadrant project. Upon denial of the Sammamish Town Center SW Quadrant project, the application materials for Brownstone West are required to be updated and revised as a stand-alone project compliant with applicable Town Center Plan goals, policies, and regulations.
3. Additional staff review may be required prior to issuance of a Staff Recommendation and setting of a hearing date before the City’s Hearing Examiner.

Staff anticipates processing of said application will proceed as follows:

1. In response to the third review letter dated May 23, 2021, Staff anticipates the need for 45 days to review STCA’s response and provide additional review letters if necessary. It is anticipated that each subsequent City review will take up to 45 days; and
2. Upon completion of the City’s final review, it is anticipated that it will take up to 30 days to draft and issue a Staff Recommendation to the Hearing Examiner and issue Notice of Public Hearing, SEPA Threshold

Determination, and Staff Recommendation; and

- 3. The Public Hearing will begin no less than 72 days after the issuance of Notice of Public Hearing, SEPA Threshold Determination, and Staff Recommendation.
- 4. It is anticipated that a decision will be made by the Hearing Examiner in Spring 2022.

In accordance with SMC 20.05.060 and 20.05.100(4), on October 21, 2021, the City issued this Notice of Revised Application and 120 Day Clock Exceedance through mailed notice to property owners within 1,000 feet of the subject site and parties of record, a sign posted on the subject site, and a legal notice in the local newspaper.
