

PARK PROGRAMMING - PLAY

Hillside play

Integrates plays features into the hillside with a combination of natural and structured elements.

Play nodes

Play features along trails that engage all age groups - can be natural, sculptural or traditional elements; creates a more exploratory sense of adventure and play.

Universal / Playscape

Includes a combination of natural elements, site furnishings and play features to appeal to all ages and abilities; often a combination of plazas, play, nature, and art elements.

Whimsical play

Play elements that inspire and create a strong sense of place, unique experience and natural wonder - can occur within a more traditional playground or as play nodes.

PARK PROGRAMMING - SITE

Open lawn

Nature trails

Amphitheater

Disc golf

Off-leash dog park

Picnic shelters

Pickleball courts

PARK PROGRAMMING - SITE

Sensory gardens

Engage all 5 senses through plants, pathways, textures, seating areas and playful elements.

Native gardens

Native plantings create a thriving habitat with educational opportunities, including interpretive signage and small outdoor classrooms.

Pollinator gardens

Sunny garden areas with flowering perennials, signage highlights the plants and benefits to the ecosystem.

P-Patch

Enclosed garden plots and shared garden areas for the community to use, learn from and connect with each other.

PARK PROGRAMMING - SITE

Interpretive education

Information on the natural, cultural, or historical elements of the parks or the surrounding area; integrated throughout trails, overlooks, plazas or gathering areas.

Whimsical features

Sculptural elements that provide a sense of discovery throughout the parks; may be along trails or set apart in the landscape.

Plazas

Provides flexible spaces for gathering, picnics, seating or small events; plazas can help define entrances, provide interest and incorporate educational or interpretive features.

Stormwater

Integrated into landscape to mimic natural drainage practices.

BIG ROCK SOUTH - BUILDING PROGRAMMING

Pool house

Small community gatherings, meetings, classes and events.

- 15-20 people capacity
- accessible restroom

Barn - Events

Combination of small or larger community gatherings, weddings, reunions, classes, or events. Overflow or partnership with nearby off-site parking would be needed for any larger events.

- 100-150 people capacity
- accessible restroom
- second floor storage to support events

Barn - Recreation

Open community space for gathering and flexible indoor recreation that could appeal to all ages and abilities.

- 80-100 people capacity
- accessible restroom
- optional programmed times specific for seniors, teens, school / camp programs, etc.

Old garage

Transformed into a picnic shelter or removed to provide space for other programming depending on the options shown. Currently sits within the wetland buffer.

Residence

Small community gatherings, meetings, classes and events.

- 50-100 people capacity
- accessible restroom
- accessible commercial kitchen
- second floor storage to support events

New garage

Parks maintenance use for small equipment storage and shop area.
