

City of Sammamish

REQUEST FOR QUALIFICATIONS

The City of Sammamish Department of Public Works is soliciting interest from engineering services firms with expertise in construction management for the following project.

Construction Management Services - 228th Avenue Overlay

This project will resurface a one-mile section of 228th Avenue from SE 8th Street to NE 8th Street. Construction work for this project consists mainly of HMA pavement resurfacing and miscellaneous construction items. The work to be performed by the consultant consists of construction management. This project contains federal funds through the National Highway System (NHS) Asset Management program and has a sixteen (16) percent mandatory DBE goal for construction management.

Detailed information for this Request for Qualifications is located on Sammamish's project solicitations webpage at www.sammamish.us/cm228overlay. If you are unable to obtain the RFQ package from the webpage listed above, please contact Jim Grueber by e-mail at the contact information below. **Proposals will be accepted until 2:00 PM PDT on May 3rd, 2022.**

Please direct any questions concerning this Request for Qualifications (RFQ) to the Public Works Project Manager listed in the RFQ. Proposing firms may submit written questions as outlined in the RFQ to the Project Manager at any time prior to the date in the Proposed Timeline. Any oral communications will be considered unofficial and non-binding on the City. Consultants are expected to visit the City's website for responses to questions.

The City reserves the right to amend the terms of this RFQ, to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.
