RE: Zackuse Creek Fish Passage and Stream Restoration Project

Dear Resident:

You are invited to the first public meeting on the Zackuse Creek Fish Passage and Stream Restoration project. The City will construct a new fish passable culvert under East Lake Sammamish Parkway located about 600 feet south of Louis Thompson Hill Road. The project also includes restoring Zackuse Creek upstream of the culvert. The project is in preliminary design and we encourage you to come, learn and provide input about this important habitat improvement project.

Date: Wednesday, March 29, 2017

Time: 6:00pm – 8:00pm

Location: Sammamish City Hall, 801 228th Ave SE, Sammamish WA 98075

Hope to see you there!

Best regards,
